

Special Assembly on International Safer Internet Day

A special assembly was conducted at Bright Scholar Sr. Sec. School on the occasion of International Safer Internet Day by Class VIII Lily to spread awareness about safe and responsible internet usage. The programme began with a meaningful thought.

An informative speech highlighted the benefits of the internet along with risks such as cyberbullying, online scams, and misuse of personal information. Students also presented a short skit emphasizing the importance of not sharing personal details online and being alert on digital platforms.

The Principal, Dr. Kiran Dalal, encouraged students to use the internet wisely and become responsible digital citizens. The assembly was informative and impactful, reinforcing the importance of staying safe online.
